NANA MOUSKOURI "The Great Farewell World Tour"

presented by LAMC Productions

Nana Mouskouri is the biggest selling female recording artist of all time with over 200 million records sold! Her distinctive black-rimmed glasses have become as famous as those of Elton John and the Greek-born singer can certainly match Elton's record sales as well! Managing her career on the international scene with the quiet persistence of a metronome, Nana Mouskouri has worked her way up from humble beginnings to become one of the most popular female singers of the last 50 years.

Nana's farewell concert will include two 60 minute sets with a brief intermission.
