Synopsis

"Nana, my favorite singer with Oum Kalsoum" - BOB DYLAN

"Dear Nana, Fifty years ago, in this curious world, you raised your voice in song. I heard you and I know you. I am still listening. We all are. May you continue to be as you've always been - strong, clear, simple and true." - LEONARD COHEN

"I think my recording sessions with Nana Mouskouri in New York were one of the most un-

experiences in my artistic career." - QUINCY JONES

"The best singer in the World with Barbara Streisand" - MICHEL LEGRAND

"She is not a singer, she is music moving with disconcerting ease from the most sinuous to the easiest pop chorus via all the rhythms of our times. She was born to sing, she, Nana Mouskouri, is marvelous, 'La Mouskouri'. I often wonder what would music have done if she did not exist." - CHARLES AZNAVOUR

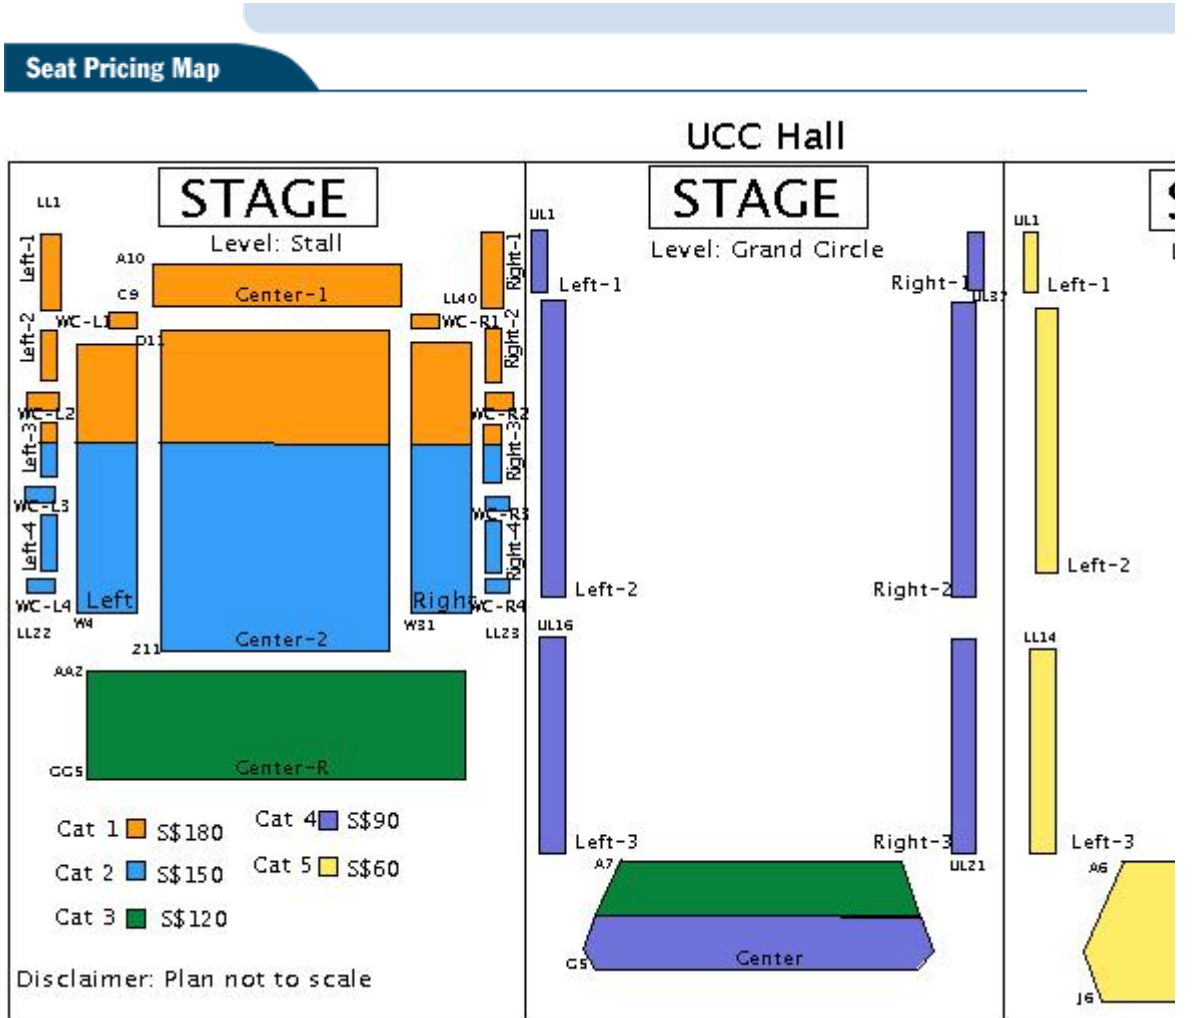

LAMC Productions is pleased to announce that "The Greek Goddess of Song" NANA MOUSKOURI coming to Singapore for her "GREAT FAREWELL WORLD TOUR" on Oct 1st, 2005.

Nana Mouskouri is the biggest selling female recording artist of all time with over 200 million records sold! Her distinctive black-rimmed glasses have become as famous as those of Elton John. A Greek-born singer can certainly match Elton's record sales as well! Managing her career on the international scene with the quiet persistence of a metronome, Nana Mouskouri has worked her way up from humble beginnings to become one of the most popular female singers of the last century.

She is a milestone in the history of popular music. From Jazz via chanson to pop and the German easy listening of her early creative period. She is truly a celebrated international artist with worldwide hits in over 6 different languages have included "White Rose Of Athens", "Over The Rainbow", "Four And Twenty Hours", "Danny Come Home", "The Three Bells" and many more.

There is another side of Nana Mouskouri, the humanitarian. She is Worldwide Ambassador for UNICEF, the only U.N. agency devoted exclusively to children. In this role, she follows in the footsteps of the late Audrey Hepburn. Nana has also served as an elected Deputy to the European Parliament representing Greece for five years.

Nana's farewell concert will include two 60 minute sets with a brief intermission. Do not miss this once in a lifetime opportunity to see the great Nana Mouskouri perform live in Singapore and only time as she bids farewell.
